

## Wider Services available through Worcestershire Children First (WCF)

Within Worcestershire Children First there is a wide variety of different services that can be purchased by schools in order to aid their understanding of the student's needs. These include:

- Educational Psychologist which the Virtual School has access to 1 day per week

- Learning Support Assessments from the Learning Support Team

- Complex Communication Needs Team

- Visual Impairment Team

- Hearing Impairment Team

- Medical Education Team

- English as an Additional Language through Learning Support Team

- Multi-sensory Impairment Team

**Some of these services do have costs associated with them.**
