

# Finding Out About Support Near You

You can find out what support there is near you by looking at the **Local Offer**. This is the name of a **web page** or written information, like a leaflet. It is written by your **local authority**, which might be called '**the council**'.

The Local Offer is for:

- **Disabled** children and young people
- Children and young people with **special educational needs**. Special educational needs are when you need extra help to learn things.
- **Families** of those children and young people

The Local Offer must give you **information** about the **support** that you should be able to get in your area.

The Local Offer must have information about:

- **Schools, colleges** or training
- Special **health** support
- Hobbies or fun **activities**
- Support for becoming an **adult**
- **Transport**
